

Google Classroom for Oak Bay Choirs – Fall 2021

This is our first year having separate classrooms for each of our choirs. We will use the general Google Classroom for CHOIR as a QUICK reminder about choir events for students. No matter WHAT Oak Bay choir(s) you sing in, please sign-up for the **General Choir** classroom **fozklqy**. This will be the “distribution list” we will use for generic choir announcements for STUDENTS.
